Second-Hand School Books at Blackwell's

What can I sell?
- Books on the school lists for the forthcoming year at The Edinburgh Academy, George Heriot's School, George Watson's College, Clifton Hall School and The Mary Erskine School and Stewart's Melville College.
- Selected revision titles above those detailed on the school lists.

What can't I sell?
- Books in poor condition – including broken spines, torn covers, missing pages, highlighting, writing and doodles.
- Old editions and books dropped from the school lists
- Past exam papers.
- English dictionaries and Modern Language dictionaries.
- Atlases.

When can I sell?
- Each year the buy-back period runs from 1st June to 31st July inclusive.
- We are only able to accept a limited number of each title and would therefore advise books are brought into the South Bridge store as early as possible.

How much will I get?
- We offer 40% of current retail price in Blackwell's store credit, which will be added to a Blackwell's Gift Card.
- Alternatively, we offer 33% of current retail price which will ordinarily be credited to a debit/credit card.

How do I buy next year's books?
- We operate an order system for both second-hand and new school books.
- Lists of required books can be submitted online at...

www.blackwell.co.uk/edinburghschools

- We also accept lists in person and via e-mail or post on our School Book Order Form.
- We send receipt confirmations detailing the list number allocated to all orders with e-mail or mobile phone contacts.
- If we do not have second-hand copies of all the requested books we will make up the remainder of the order with new books.
- Second-hand orders can take up to three weeks to prepare as they are dependant on the volume of books sold back to us.

If you have further questions about the process, please don't hesitate to get in touch
