Incorporating the Berg Encyclopedia of World Dress and Fashion, this unique online portal is the leading source of information for anyone working on dress or fashion. Updated almost three times a year, to keep students, scholars and practitioners at the cutting edge of their subject, the Berg Fashion Library is a fully cross-searchable portal offering an expanding range of essential resources.

- The Berg Encyclopedia of World Dress and Fashion online
- E-book collection of full run of 15-20 Berg fashion journals with regular updates
- An extensive colour image bank including 1,600 images from the Victoria & Albert Museum's internationally-renowned fashion collection and 2,000 from the print Encyclopaedia
- Additional reference resources, such as an A-Z of Fashion and Dictionary of Key Terms
- Links to Berg fashion online journals/Fashion Theory, Fashion Practice, and Textile for mutual subscribers

**KEY FEATURES**

- Industry-standard access and data
- Unlimited concurrent access via IP-encryption, authentication, access control, proxy link, and username and password for nontax payers
- Cost-effective compliant usage statistics and library branding
- Multi-site loans
- Specially-created taxonomy
- An integrated classification system for the study of dress, garments and accessories with the information they need, and help focus and refine search with ease.
- Powerful searching

Users are able to rapidly access the content as a single-form quick search, or for full-text search for exact matched results using the Berg Fashion Library’s sophisticated advanced searching.

- Full-text coverage for individual articles
- Users can change the font, background colour and contrast to support visual needs. The Berg Fashion Library has been developed to support the needs of all users.

**TEXTILES**

Edited by Catherine Harper

University of Brighton, UK

Doran Ross, Fowler Museum at UCLA, Los Angeles

“Textiles has a lot going for it. It is easy to handle, well printed on good paper, imaginatively designed. Anyone in university or college with an interest in textiles should subscribe to it and make it easily available. For individual scholars and students, the journal provides a useful resource and will be a pleasure to collect and possess.”

Times Higher Education

Textile is an international, peer-reviewed journal that brings together research in textile studies in an innovative and distinctive academic forum. It provides a platform for points of departure between art, craft, gender and identity, cloth, body and architecture, labour and technology, techno-design and practice – all situated within the broader contexts of material and visual culture.
